Executive Principal

About this Policy Statement

This policy statement is in place to confirm the Admission Arrangements for the Academies within the Priory Learning Trust:

- Each Academy must, by law, have its own, discrete, Admissions Policy that follows the latest version of the DfE Admissions Code. Copies of the relevant policies are available on each Academy website.
- Each Academy's Admission Policy is subject to public consultation via the Local Authority prior to the issuing of the policy. Details of the Admissions Policy subject to consultation are available from the Academy website or the Local Authority website.
- Each Academy works in conjunction with the Local Authority to ensure that the Admission Policy and Admission Arrangements are followed.
- Each Academy delegates the responsibility for the Admission Arrangements of the Year 7 Bulk Intake of students to the Local Authority.
- Each Academy subscribes to the School Admission Appeal Panel service provided by the Local Authority to prepare and present Admission Appeals. Each Academy will send a representative to the Panel meeting.
