PCSA Easter School Programme Explained

Dear Parents/Carers

Welcome to the PCSA Easter school programme 2017. This has been established for a number of years and has proved to be an effective strategy to help students achieve their best possible outcomes.

Teachers run tailored sessions recapping knowledge and exploring exam technique strategies to help improve attainment. Letters have been sent home inviting individuals to join specific sessions, however, feel free to contact staff leading a particular session if you believe your son/daughter would benefit by attending.

The following pages include a timetable of sessions being delivered during the Easter break. This includes: rooming, timing and staff contact details.

Students are not required to wear school uniform but will be expected to provide their own lunch and arrange their own transport.

If you have any questions or comments please do not hesitate to contact me on: James.White@pcsa.org.uk or telephone 01934 511411.

Kind regards

James White
