Curriculum Enrichment Days  
Monday 17th & Tuesday 18th  
July 2017

## Year 7

Dear Parents/Carers

## **Curriculum Enrichment 2017**

I am delighted to let you know that we will be having two curriculum collapse days here at WCSA on Monday 17 and Tuesday 18 July. During this time, Year 7 – 9 students will have the opportunity to engage in a number of different activities. Personally, I have always enjoyed these days; students tend to excel in their chosen activity and make us proud as a school.

We have aimed to put on a variety of different activity choices – some are free, whereas others will attract a cost. Please be aware that costed activities may not run if there is not enough student uptake.

All activity choices will be confirmed at the beginning of May. Payments will be required for all activities with associated costs by the start of June using the schools online payment system (Parent Pay).

If you do have any questions about these two days, please do contact me here at WCSA. I have taken a good look at the program and there is plenty of choice. We hope that students will make the most of this opportunity and have a fantastic time.

Yours faithfully

## INTERNATIONAL DAY

All Year 7 students will come off their normal timetable and take part in an International Day on Tuesday 18th July.

This exciting curriculum enrichment day aims to develop students knowledge of a range of cultures and allow them to explore the diversity of the world in which we live. We will compare British values and tradition to those of other countries.

Please note all activities on both days take place in the normal school day unless otherwise specified.
