Dear Parent/Carer

We would like to invite you to attend a brief careers information evening on 10 October at 5.00pm.

Year 10 is a critical year for our students and there are several key activities and events being run throughout the year of which we feel you need to be aware. Year 10 students will be expected to take part in work experience week, mock interview days and attend careers events both on and offsite to ensure that they build the employability skills and the awareness of available progression routes beyond school.

Your support during the year will be invaluable.

The timetable for the meeting is as follows:

- 5.00pm Introduction by Mrs McBride.
- 5.05pm Key messages by Mr Thompson.
- 5.10pm Career events and activities for the year ahead by Mr Wilmot.
- 5.25pm Some current year 11 students will reflect on their year 10 to reinforce the importance of participation.
- 5.30pm Parents are free to stay and ask questions or head home.

It would be great to meet you on 10 October, but I will ensure that all the information discussed is circulated the following day if you cannot attend.

Yours sincerely

James Wilmot
Head of Careers
